SENDING RAINBOWS

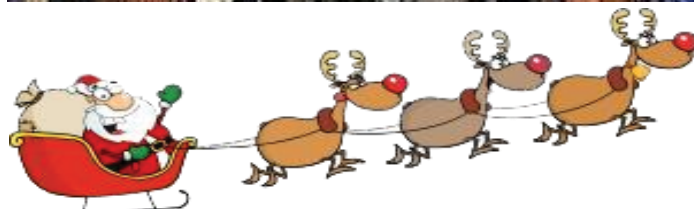

THE WINDERMERE FARM MONTHLY UPDATE

Merry Christmas!

Dear valued clients and friends,

November has been a most eventful month, featuring a wonderful and long-awaited win by Stradazzle, a lay back, under the radar type of fellow, decided to do the Bernborough!

Also, my first two book launches which I enjoyed immensely and by all accounts so did my guests. So, yes much to talk about with a smile upon my face.

Christmas is fast approaching and, so we will take this opportunity to wish you all a very merry, safe, loving Christmas.

The 9th of November, is the most popular day at Hawkesbury races. It coincides with the Melbourne Oaks – Ladies Day! Along with my daughter Lisa and many friends, one named Pippa who had travelled all the way from England to attend (not really but it sounds good) we had a ball. Winners were backed, and most delectable lunch was indulged.

Ladies day at Hawkesbury from right to left, Pippa all the way from England - Charlie the young and beautiful and her equally beautiful mother Danny !

Merry Christmas!

We will see OUR ANNIVERSIARE and VENCEDORA trial this month, both horses are going extremely well and are happy to be in work. Veni loves his dressage program at home then relishes his pace work at Hawkesbury. Annie doesn't mind what she does if it gets her fit to race again - a very determined little lady our Annie.

All horses spelling and just come in for pre-training are doing well.

Sending Rainbows.
Dor and Wade

Our only runner on the day was LEGISTATION, Josh Adams, gave the apology, "I'm sorry Wade I should have pushed forward instead of hesitating which allowed the horse on the outside to take my running with a hefty nudge. The consequence was I was shuffled back, and the pace slowed then we couldn't muster the sprint needed at the end." This was the Ted McCabe Cup, so a strong field presented itself, given every chance LEGISTATION should have run a decent third.

KINVARA STAR trialled for the second time at Hawkesbury 13/11 and showed plenty of speed along with a promise that when she matures she will be a most competitive race horse. Shadow as we call her has since gone out enjoying the pasture. NIGHTLY GRIND also trialled well and is on his way to his first race start in December.

23/11 back at Hawkesbury we saddled up LEGISTATION to see him have almost every chance to win, ridden by Clare Nutman, who was trapped a little wide most of the way. Clare felt instead of being beat one length, 4th, Legi should have been in the winning photo had he had a better run.

Clare then rode STRADAZZLE over 2100mts, allowing him to amble at the rear of the field, his favourite position, BUT on turning the widest runner into the straight, Clare let him extend and with a clear run he simply mowed them down! Winning by one length.

HOPE is the heartfelt collation of poems, narratives and artwork by Billie Kinder. Through her amazing gifts of empathy and insight this book is to inspire and give hope to others.

After a tragic accident, Billie's life was cut short at 12 years old. Her family have now put together her work in order to fulfil her vision so that her words can complete her journey.
